the encyclopedia of american gospel music is the first comprehensive reference to cover this important american musical form coverage includes all aspects of both african american and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends

black gospel music grew from obscure nineteenth century beginnings to become the leading style of sacred music in black american communities after world war ii jerma a jackson traces the music s unique history profiling the careers of several singers particularly sister rosetta tharpe and demonstrating the important role women played in popularizing gospel female gospel singers initially developed their musical abilities in churches where gospel prevailed as a mode of worship few however stayed exclusively in the religious realm as recordings and sheet music pushed gospel into the commercial arena gospel began to develop a life beyond the church spreading first among a broad spectrum of african americans and then to white middle class audiences retail outlets recording companies and booking agencies turned gospel into big business and local church

singers emerged as national and international celebrities amid these changes the music acquired increasing significance as a source of black identity these successes however generated fierce controversy as gospel gained public visibility and broad commercial appeal debates broke out over the meaning of the music and its message raising questions about the virtues of commercialism and material values the contours of racial identity and the nature of the sacred jackson engages these debates to explore how race faith and identity became central questions in twentieth century african american life

the sound of light is a sweeping overview of the history of gospel music powerful and incisive it traces contemporary christianity and christian music to the 16th century and the protestant reformation after examining music in the bible and early church music from the psalms of the early puritans through the hymns of human composure of isaac watts and the social activism of the wesleys gospel music was established in 18th century america with the camp meeting songs of the kentucky revival the spirituals that came from the slave culture and the hymns from the great revival after the civil war gospel music advanced through the 19th century the 20th century brought recording technology and electronic media to the table gospel music has developed with christian revivals and the history of american gospel music is the history of christianity in america gospel music reflects the american spirit of freedom and the free market as a christian culture emerges in the 20th century providing a spiritual as well as economic foundation the sound of light presents gospel music as part of the history of contemporary christianity it is a work broad in scope that defines a music essential to understanding american culture as well as american music in the 20th century don cusic is the author of ten books including the biography eddy arnold i ll hold you in my heart and an encyclopedia of cowboys cowboys and the wild west an a z guide from the chisholm trail to the silver screen he joined the faculty at middle tennessee state university in 1982 teaching courses in the music business he earned a masters and doctorate in literature from mtsu since august of 1994 cusic has been professor of music business at belmont university

in this ambitious book on southern gospel music douglas harrison reexamines the music s historical emergence and its function as a modern cultural phenomenon rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice harrison presents southern gospel as a

network of interconnected messages that evangelical christians use to make individual sense of both protestant theological doctrines and their own lived experiences harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience building up individual and potentially subversive meanings beneath a surface of evangelical consensus reassessing the contributions of such figures as aldyne kieffer james d vaughan and bill and gloria gaither then sings my soul traces an alternative history of southern gospel in the twentieth century one that emphasizes the music's interaction with broader shifts in american life beyond the narrow confines of southern gospel's borders his discussion includes the gay gospel paradox the experience of non heterosexuals in gospel music as a cipher for fundamentalism's conflict with the postmodern world

throughout christian history some of the most creative musical geniuses have produced works to be performed for the church from gregorian chant to black gospel this is an illustrated guide to all major traditions of music in worship and how music may be applied in worship by future generations

covers the history of gospel music from the days of slavery through the civil rights movement

a wise and concise look at the higher purpose that should undergird the christian music industry

saved by song returns to print with its sweeping overview of the history of gospel music powerful and incisive the book traces contemporary christianity and christian music to the sixteenth century and the protestant reformation after examining music in the bible and early church in america gospel music has been divided between white and black gospel within these divisions are further divisions southern gospel contemporary christian music spirituals and hymns don cusic has provided background and insight into the developments of all these rich facets of gospel music from the psalms of the early puritans through the hymns of isaac watts and the social activism of the wesleys to the camp meeting songs of the kentucky revival the spirituals that came from the slave culture and the hymns from the great revival after the civil war gospel music advanced through the nineteenth century the twentieth century brought the technologies of recordings and the electronic media to gospel music saved by song is ultimately the definitive and complete history of a uniquely american art form it is a must for anyone interested in the musical and

spiritual life of a nation

many studies of african american gospel music spotlight history and style this one however is focused mainly on grassroots makers and singers most of those included here are not stars a few have received national recognition but most are known only in their own home areas yet their collective stories presented in this book indicate that black gospel music is one of the most prevalent forms of contemporary american song its author alan young is a new zealander who came to the south seeking authentic blues music instead he found gospel to be the most pervasive fundamental music in the contemporary african american south blues he concludes has largely lost touch with its roots while gospel continues to express authentic resources conducting interviews with singers and others in the gospel world of tennessee and mississippi young ascertains that gospel is firmly rooted in community life woke me up this morning includes his candid widely varied conversations with a capella groups with radio personalities with preachers and with soloists whose performances reveal the diversity of gospel styles major figures interviewed include the spirit of memphis quartet and the reverend willie morganfield author and singer of the million selling what is this who turned his back on fame in order to pastor a church in the heart of the mississippi delta all speak freely in oral history style here telling how they became involved in gospel music and religion how it enriches their lives how it is connected to secular music especially blues and how the spiritual and the practical are united in their performances their accounts reveal the essential grassroots force and spirit of gospel music and demonstrate that if blues springs from america s soul then gospel arises from its heart

don cusic presents gospel music as part of the history of contemporary christianity from the psalms of the early puritans through the hymns of isaac watts and the social activism of the wesleys gospel music was established in eighteenth century america with the camp meetings songs of the kentucky revival and the spirituals and hymns that stemmed from the civil war and beyond gospel music grew through the nineteenth century and expanded through new technologies in the twentieth century

where in the digitizing world is the field of choral pedagogy moving editors frank abrahams and paul d head both experienced choral conductors and teachers offer here a comprehensive handbook of

newly commissioned chapters that provide key scholarly critical perspectives on teaching and learning in the field of choral music written by academic scholars and researchers in tandem with active choral conductors
